ICWAI, USE ink MoU for info exchange

MUMBAI: The Institute of Cost and Works Accountants of India and United Stock Exchange on Wednesday signed an MoU for exchange of information, consultation and co-operation. The MoU entails sharing research materials, publications, educational literature, demonstration material and information, a press release issued here stated. It will also include the organisation of joint conferences, exhibitions and seminars and joint research programmes, the release said. ICWAI president G N Venkataraman said, "the signing of the MoU will enhance and update knowledge of the financial market."
